Guitar Lesson Overview

An acoustic blues guitar lesson for you. Something you can strum along with and play on the porch, or anywhere. It has a little bass line thing in it that sounds good and makes it more fun to play.

A 12 bar blues progression played in the key of E. It has a little bass line move in it too, to make it more fun to play. The chords used in a 12 bar blues in E are: E, A and B. Often we use E7, A7 and B7, because they sound "bluesier". Enjoy!
